

# DREAMS 2017

## Securing our Financial Future

To produce updated print materials about planned giving. To continue the work of education and gratitude in developing a Legacy Circle.

## Worship & Music

Create a Canada 150 service of Celebration. Celebrate the 500th anniversary of the Reformation. Host the Anglican Association for Deacons National Conference .

## Cathedral Stewards

Translate our Cathedral Tour Guide into Korean and Portuguese – two languages we are now seeing frequently.

## Welcoming Ministry

Enlarge pew pockets to contain more information.

## Cathedral School

Build a “Chorister Stream” in the Cathedral School that would have a role in Cathedral worship. Collaborate with the School to create a vegetable garden for food-donations.

## Friends of the Cathedral

To create a cadre of ambassadors near and far who have a love for the Cathedral, and want to support its special projects and ministry.

## Refugees

With luck, welcome our new family to Canada!

## Pastoral Care

Keep in touch with our household parishioners by mailing “In Touch” to them each week. Provide pastoral literature in pew pockets. Expand our lay pastoral ministry team.

## Children's Youth and Family Ministry

Intergenerational summer theatre project. Create and hang bee-houses for non-stinging Mason bees. Gather a Christian intergenerational artists' collective to highlight the beauty of Creation and the Trinity.

## Adult Faith Formation

Provide top-notch opportunities to engage questions which impinge on faith.

## Visual Arts

Create a working group to help us sponsor more art shows, particularly related to issues of interest to people of faith.

## Communications

Refresh our web site and make it more responsive to tablets and cell phones. Rebrand, including a new logo and banners outside the Cathedral. Improve our advertising of upcoming events in the Cathedral itself.
