

With prayer and God's help, members of the Pastoral Care Ministry could:

- Provide a welcoming, caring and pastoral community
- Be present with others in time of need
- Offer a friendship that is intentionally seeking to walk with you along your path
- Visit individuals in private homes, hospitals, long term care and assisted living
- Pray with and for people
- Bring and administer home communion
- Be a link between the parish and parishioners when they are unable to attend services
- Provide training and support to pastoral care givers
- Communicate with all members of the parish

The Pastoral Care Ministry Team is a team of ordained and lay persons working to support needs of our parish especially in times of difficulties

PASTORAL CARE at the CATHEDRAL

Pastoral Care is how all members of the Cathedral parish, including the clergy and lay persons, provide support, loving care and help to one another especially in times of illness, crisis or grief.

*I give you a new commandment -
That you love one another just as I
have loved you John 13 : 34*
