

Prayer Shawls: Prayer Shawl Ministry knitters have been gathering regularly to produce their comforting shawls for 10 years.

Today you can see the handiwork of the Cathedral's Prayer Shawl Ministry as the group celebrates its 10th anniversary. The knitters produce more than 100 shawls every year, each one blessed and given to someone whether it is to comfort them during bereavement, after a new baby or during an illness.

As the group says, the knitting of prayer shawls is a spiritual practice that brings together and enriches the work of hands and heart through praying and knitting. The group meets in two separate gatherings (morning and evening), on the second and fourth Tuesdays of each month. Gatherings open and close with prayer and include a reflection or meditation offered by a participant and blessing of shawls. The morning group meets in the Deanery from 10.00 - 11.30 a.m. The evening group meets at members' homes at 7.00 p.m. They have received generous donations of yarn (washable synthetics preferred), although most members provide yarn from their own resources. Contact the Cathedral office if you would like to join.

Garbage Removal:

Not exciting, but necessary!

The Cathedral has a contract with Alpine Waste Removal to clear away waste generated by the Cathedral and the Deanery. The cost of this service is \$1,700 per year - an amount which could be covered by a gift of \$34 per week.

Biking Award

Christ Church Cathedral School won the Rack 'Em Up prize (a bike rack) for having the most wheeling trips (per capita) during the Capital Regional District's Walk and Wheel to School Week.
