

The New Page Country Dance Orchestra

The Orchestra's name honours the music of Dan Page who was a longtime pillar of the Victoria fiddling and country dancing scenes. Today's program is drawn from several hundred tunes that Dan composed, each named for a person, place, or event from his life. Caller Rosemary Lach will lead a group of dancers in contradances chosen to complement these lively "chunes".

Program

Step Carefully Two-Step (or The Farmer's Choice) / Rushin' for the Ferry
